

Outdoor Education For Schools

Give your students a Wild Time!

Exciting new Outdoor Education Service

Bushcraft, Forest Skills, Intervention schemes, reward days,
Curriculum enhancing classroom activities, long and short term programmes,
GCSE level Bushcraft Qualifications for KS3 and 4
and First Aid Training for staff and students

Located in 900 acres of Woodland 12 Miles East of Lincoln,
surrounded by ancient woodland, our centre is an ideal place to
immerse your students in the outdoors.

The activities we offer can be connected to curriculum of all
key stages and we strongly believe in the development of social
skills, team building and life skills within our programmes.

Our Facilities:

Within the education centre, we have a large
classroom, kitchen and toilets and close by is our
outdoor classroom area, our shelter building area
and two different pond dipping areas, further into
the woodland is our bushcraft area,
there are also several well marked walking routes
that suit all levels and abilities.

Silverback Bushcraft can offer a wide range of pre-set programmes and courses. We can design bespoke days and courses to suit your class curriculum and the individual needs of students as part of our one to one or small group intervention schemes.

As well as all the outdoor activities, we also offer First Aid training for staff and students ranging from basic CPR to First Aid at Work and more specialist outdoor First Aid for people who work in outdoor environment.

Silverback Bushcraft are proud to be a Forestry Commission Learning Partner at our Education Centre at Chambers Farm Wood, near Lincoln, activities provider for Ransom Wood Estates, Mansfield and Rufford Abbey Country Park, Ollerton. Our chief instructor is also a member of the National Executive of the Institute of Outdoor Learning Bushcraft Professional Practice Group and The Lead Verifier for their Level 1 and 2 accredited Bushcraft qualifications.

For more information on any of our services, or to discuss your schools needs, please do not hesitate to contact us to arrange a meeting or site visit.
